

# Prakash pradhan

Java Developer with 1+ years of experience in building scalable web applications, specializing in Spring Boot and microservices architecture.

## Profile Summary

Energetic Java Developer with over 1 year of experience in building high-performance Java applications. Skilled in leveraging Spring Boot and Hibernate to develop scalable solutions and implement RESTful APIs. Strong foundation in object-oriented programming, committed to continuous learning and delivering top-quality software.

## EXPERIENCE

### Tattva foundation, lucknow — java developer

april 2023 - jan 2024

project:**Bahmni Open Source EMR.**

Hospital Information System An open-source Hospital Information System and Electronic Medical Record platform.

## EDUCATION

### Biju Patnaik University of Technology (BPUT), Rourkela — MCA

July 2021 - july 2023

- Specialized in advanced programming languages, database management, and software development.
- Completed a thesis/project on e-commerce application and clones, demonstrating proficiency in java, Spring Boot and HTML, CSS, java script.
- Studied internet of things(iot), and cloud computing.

### Utkal university, Bhubaneswar — BCA

aug 2017 - dec 2020

- Developed strong foundations in programming, and computer networks.
- Completed notable projects such as e-commerce applications highlighting problem-solving abilities.

## PROJECTS:Bahmni open-source EMR

- Designed, developed, and tested modules for Bahmni Open Source EMR & Hospital Information System using Java.
- Collaborated with healthcare providers to implement system improvements.
- Debugged and troubleshoot Bahmni code, contributing to the Bahmni open-source community.
- Stay up-to-date with the latest Java technologies.
- Coached and mentored junior team members to ensure their success.

## TECHNICAL SKILLS

Programming Lang: java, html, css, js

Frameworks: Spring Boot, Hibernate,JPA

Databases: MySQL, postgresql,h2

Tools: Git, Maven, Jenkins

Concepts: RESTful APIs, Object-Oriented Programming (OOP), Linux, JWT, java 8,collection, AWS

## PROFESSIONAL DEVELOPMENT

Attended JavaOne Conference 2022.

Participated in Spring Boot Workshop by [USBM-BBSR]

Completed online courses on Advanced Java and Microservices from [NareshIT Hyderabad]

## PERSONAL INTERESTS

Coding Projects: Developing personal and open-source software projects.

Reading Tech Books/Articles: Keeping up-to-date with industry trends and new technologies.

Fitness Activities: Running and practicing yoga.

Traveling: Exploring new cultures and gaining global perspectives.

## Soft Skills to Include

- Problem-Solving:** Ability to analyze and resolve technical issues efficiently.
- Team Collaboration:** Proven ability to work collaboratively with cross-functional teams.
- Adaptability:** Quick to learn and adapt to new technologies and environments.
- Time Management:** Skilled in prioritizing and managing multiple tasks effectively.
- Attention to Detail:** Ensures code quality and adheres to best practices.
